It's hard to believe that this will be our 20th Annual Fall Production Sale. While we have been selling bulls on this land for much longer, reaching twenty years of production sales is still an incredible accomplishment in our eyes. Over the years, we have witnessed many ups and downs in the cattle industry, but we believe that the current season is definitely one to be excited about. Our success is closely tied to the success of our customers, and this connection is only possible when we do our job effectively with genetics and service.

We owe everything to our customers and our cattle, which is why this year's slogan is "Built on Trust and Backed by Genetics."

This year, we have developed an additional 25 bulls for several reasons. We aim to grow and provide you with a better selection of top-quality genetics, ensuring that we have options to accommodate various budgets. We continually strive to produce some of the freshest and most innovative genetics in the country while also breeding with industry-leading, proven bulls to guarantee that our data is accurate and reliable. This year's new sire groups include BEDROCK, HAGGARD, HAYAKER, FIRE POWER, SCREEN SHOT, CULMINATION, KRUIZ, JAMESON, TOP GUN, and SIGNATURE. We work hard every year to find genetics that thrive across the country. Our proven sire groups will feature STONE COLD, ECLIPSE, RARITY, KINGPIN, KENWORTH, 231A, HILLTOP, KENNY ROGERS, RESERVE, ESSENTIAL, HIGH ROAD, and ENHANCEMENT. We are extremely pleased with this year's calf crop and the consistent quality our cattle exhibit.

The females offered in this upcoming sale will be exceptional. We plan to present our very best three open heifers from our favorite sire groups, in addition to 40-50 outstanding fall yearling heifers. As always, we will also have 110 winter-calving bred females available. Given the growing demand for top-quality females, we recognize that everything starts with the cow!

Please make plans to join us on November 8, 2025, at 11:00 AM CST. If you are unable to attend on sale day, we invite you to visit us anytime to view the offering. We are counting down the days until November and can't wait to share more information about our upcoming sale!
