

GET 2026 FIT SEMEN GUIDE

FOCUSING ON *traits* THAT *enhance* YOUR PROFITABILITY *Since 1961*

SEMEN GUIDE

Since 1961.

One of our favorite projects this year is the Semen Guide. It offers a glimpse into the future of the young bulls we have identified as the next great ones, while also reflecting on the herd sires that have brought us to where we are today. It is essential for us to continue evolving with the industry and meeting the growing demands of consumers. We believe that the genetic value of a bull is vital. We would like to thank everyone for placing their trust in our program. Remember, we are here to serve you, so please don't hesitate to call us with any questions!

Wendell, Nan, and the entire Gibbs Farms crew

TO ORDER SEMEN, CONTACT:

Doug Gibbs 404-717-2264
Bradley Gibbs 404-904-2914
Sam Young 770-710-4588

SEMEN AVAILABILITY

Semen location and availability may vary. Volume discounts are available!

Bulls co-owned with ABS, Select Sires, and Genex are only available through them and their representatives.

- Elite is the \$80,000 bull from our 2025 fall sale that was admired for his superior phenotype. He is a bull that sets himself apart by showcasing a robust, well-proportioned frame that commands attention. Balanced genetic predictions highlight his potential for superior growth, fertility, and carcass quality. Use Elite to add body and mass, all the while maintaining great calving ease and carcass traits.
- Owned with Genex, All Beef, McDonald Farms, J/C Simmentals.

SCHOOLEY HAGGARD A411H Sire of Juggernaut.

- Juggernaut was the \$65,000 sale highlight from the 2025 fall sale. He is a bull that offers extra frame, power, and marbling. He stands on a big sound hoof and moves so athletically. Juggernaut saw extensive use in our cow herd and will have the largest sire group of calves on the ground in the fall of 2026. We are confident that this young stud will excel.
- Owned with Gingrinch Family Farms, Rock Creek Farms, Chesnut.

GIBBS 0105H MABELLE 6123D Dam of Highwayman.

- The \$28,000 genomic standout bull of the SimAngus lineup. Highwayman is admired for his superior indexes and carcass quality. Loaded with growth and in a moderate framed package, this bull will add payweight at weaning and keep mature cow size in check. We are loving his first set of calves. We successfully calved him out to heifers, and the calves are growing extremely well. We expect these to be 2026 sale highlights!
- Owned with Gingrinch Family Farms, Hunnigan Simmentals Farms.

- We believe this bull is a Generational talent and is just flat impressive anyway you look at him. To get more detailed, it starts at the ground with big symmetrical feet, extra flex in his joints, and moves like a bull half his size. His rib shape is big and bold, as anything we have ever seen. His muscle shape is massive, heavy, and dense. Commanding a lot of attention throughout the breed, with a hammer price of \$120,000. Use Generational to add power, frame, and soundness.
- Owned with Select Sires, Triangle J Ranch, Ruby Cattle Company..

KBHR REVOLUTION H071 Sire of the dam of Mainstay.

- Here's a baldy bull that is extremely impressive on paper and in person. He is a bull that continues to impress each day as he is developing into the ideal herd bull. A 6 plus framed package, you can expect him to add frame to his calf crop. We have used this bull extensively, naturally, through A.I., and our ET program. We believe Mainstay's progeny will be in high demand. Only 400 units have been offered in public auction, and it has averaged over \$120 a unit.
- Owned with RiverCreek Farms, Schooley Cattle Company, English Oaks Ranch.

- The \$28,000 high-selling bull from Baxley Family Farms. We went out to Mr. Baxleys farm looking for a donor female and this bull's density, and muscle mass captured our eye. After looking at him on the hoof, then looking at his EPDs we knew we had to own this bull. From his outstanding performance numbers to his ability to be able to cover your virgin heifers, he truly is Universal. Look for him to safely get your high-dollar calves on the ground and see them explode after weaning. His sire Galileo, has sold many bull calves This 2025 Spring sale season including one for \$160,000. This bull is the bull to produce you pounds at the stockyard, and keep every female.
- Owned with Baxley Family Farms.

- Pinnacle is the outcross 3/4 bull we purchased this year. Extremely attractive, larger-framed, and loaded with carcass and performance. He has perfect feet, great hair, and a superior docility. We expect this bull to be the ticket to produce the next great outcross purebred. He was used heavily within our herd. His first calves are on the ground in South Carolina, and they have a fantastic look with sensible birthweights.
- Owned with Baxley Family Farms and Apex Cattle Company.

KBHR GLOBAL J138 Sire of Roll Call.

- The \$50,000 phenotype standout from Rydeen Simmentals. Roll Call is a bull that is a true balance bull and is as versatile as any bull we have to offer. Global's best son we could find, and offers a tick more middle and phenotype than his sire. What is so unique about him as a 3/4 blood is that you can mate him to purebreds to make outcross purebreds or to SimAngus to make SimAngus bulls. Expect him to make beautiful daughters!
- Owned with ST Genetics and Rydeen Farms Simmentals.

- Culmination is the Genesis son that is better for hair and maternal traits. Unlimited outcross options and the current climatic point of genetic progress that combines the performance and marbling from his sire with the impeccable maternal legacy from his dam and granddam. His first progeny was our high-selling sire group. The first 9 sons and 1 daughter averaged over \$23,000 in our fall 2025 sale.

LCDR RESERVE 210J Sire of Prosperity.

SSF 9047G LOUISE Y534 Dam of Prosperity.

Prosperity was the high-selling bull in our 2024 Fall Sale. He is appreciated for his striking eye appeal, outcross pedigree, and balanced EPD profile. We have used this bull hard in our herd for the past two years. His first calves are on the ground here, and they came at just the right size for our southern climate, and they are extremely eye-catching. We feel that prosperity offers the breed something that is much needed: balance, eye appeal, and outcross genetics. He is backed by our best cow and some of the most maternal genetics in the country. Use Prosperity to improve docility, fleshing ability, hair shedding, hoof quality, breed diversity, and eye appeal.

Owned with Gustin Cattle Company.

GIBBS CULMINATION Sire of Milestone.

- Milestone was the lot 4 bull in our 2025 fall sale. Unfortunately, we pulled him from the sale due to a shoulder injury. We felt the bull would recover, but could not offer him for sale that day due to a slight limp. Since then, he has recovered fully and has successfully bred cows. He is the purebred Culmination son that has the look and data to back him up. He is admired for his striking presence and neck extension, long spine, and square hip. We have received more calls about this bull than any other bull. We feel as if this is the purebred bull needed throughout the industry to offer a little different pedigree with respectable figures and an eye-popping look.
- Owned with Gibbs Farms.
